
Naruto is an adventure manga series written and illustrated by Masashi Kishimoto. It tells the story of Naruto Uzumaki, an adolescent ninja who constantly searches for recognition and dreams to become the Hokage, the leader of his village. The story is in two parts, the first set in Naruto's pre-teen years, and then after he graduates from Ninja Academy. Virtual Comic makes Comics Reading so Free! Where we offer exclusive content too... so check out some of these special features: The series is being published by Viz Media. The first 19 volumes have been collected into 13 "tankōbon". The first volume was released on December 18, 2001 in Japan. The 13th was published on July 3, 2008. Namco released the first five volumes for the Game Boy Advance in Japan between February 2002 and January 2003. The latest game in the series, "Boruto: Naruto the Movie" has been released on August 2015 for PlayStation 3, PlayStation 4, Xbox 360, Xbox One and Microsoft Windows. Video Games Based on Naruto Series

Video game-related material based on the series include light novels, audio dramas, character guides published by Enterbrain (known as "tankōbon", or "bookbindings", due to their hardcover binding), image galleries, and an animated film. In 2004, a video game titled for the first time was released as a prequel to the series, "". In 2005, the first original games based on the manga were released on cell phone. In late 2005, Namco Bandai Games entered into a licensing agreement with Shueisha to develop and publish Naruto-related video games. The first of these games were a mix of role-playing and action. "Naruto: Clash of Ninja Revolution" was released on June 27, 2006 for the PlayStation 2 and PlayStation Portable systems in Japan only. The PS2 version of "Clash of Ninja Revolution" was published by Sega instead of by Namco Bandai Games.
